NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Education of School District Number 115, St. Clair County, Illinois, as follows:

*Section 1. Incorporation of Preambles.* The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

*Section 2. Authorization.* It is hereby found and determined that the Board has been authorized by law to borrow not to exceed \$10,608,885 upon the credit of the District and as evidence of such indebtedness to issue the Bonds to said amount, the proceeds of the Bonds to be used for the Project, and that it is necessary and for the best interests of the District that there be issued an amount not to exceed \$10,608,885 of the Bonds so authorized.

*Section 3. Bond Details.* There be borrowed on the credit of and for and on behalf of the District an amount of \$\_\_\_\_\_ for the purpose aforesaid; and that the Bonds shall be issued in said amount and designated as "General Obligation School Bonds, Series 2024." The Bonds shall be dated July \_\_, 2024, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 each and authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), shall be numbered 1 and upward, and the Bonds shall become due and payable serially (subject to option of prior redemption as hereinafter set forth) on December 1 of each of the years, in the amounts and bearing interest per annum as follows:

The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 1 and December 1 of each year, commencing on June 1, 2025. Interest on each Bond shall be paid by check or draft of UMB Bank, National Association, Kansas City, Missouri (the “*Bond Registrar*”), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office of the Bond Registrar.

The Bonds shall be signed by the manual or facsimile signatures of the President and Secretary of the Board, and shall be registered, numbered and countersigned by the manual or facsimile signature of the School Treasurer who receives the taxes of the District (the “*School Treasurer*”), as they shall determine, and in case any officer whose

signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

*Section 4. Registration of Bonds; Persons Treated as Owners. (a) General.* The District shall cause books (the "*Bond Register*") for the registration and for the transfer of the Bonds as provided in this Resolution to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by,

the registered owner or his or her attorney duly authorized in writing, the District shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however*, the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 3 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto ("*Cede*"), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns ("*DTC*"). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The President and Secretary of the Board, the Superintendent and chief business official of the District and the Bond Registrar are each authorized to execute and deliver, on behalf of the District, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "*Representation Letter*"), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "*DTC Participant*") or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting

the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The District and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next

preceding the applicable interest payment date, the name "Cede" in this Resolution shall refer to such new nominee of DTC.

In the event that (i) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the District, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the District determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the District, or such depository's agent or designee, and if the District does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 4(a) hereof.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

*Section 5. Redemption. (a) Optional Redemption.* The Bonds maturing on and after December 1, 20\_\_\_, shall be subject to redemption prior to maturity at the option of the District as a whole, or in part in integral multiples of \$5,000 in any order of their maturity as determined by the District (less than all of the Bonds of a single maturity to be

selected by the Bond Registrar), on December 1, 20\_\_\_, and on any date thereafter, at the redemption price of par plus accrued interest to the redemption date.

(b) *Mandatory Redemption.* The Bonds due on December 1, 20\_\_\_, being subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

YEAR	PRINCIPAL AMOUNT
20___	\$_____
20___	_____ (stated maturity)

The Bonds due on December 1, 20\_\_\_, shall be subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

YEAR	PRINCIPAL AMOUNT
20___	\$_____
20___	_____ (stated maturity)

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the District may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled

and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(c) *General.* The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The District shall, at least forty-five (45) days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such redemption date and of the principal amount and series and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single series and maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the District in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

*Section 6. Redemption Procedure.* Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the District by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond

Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar, and
- (6) such other information then required by custom, practice or industry standard.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed at the option of the District shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the District, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Bonds will not be redeemed. Otherwise, prior to any redemption date, the District shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, and notwithstanding failure to receive such notice, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same series and maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

*Section 7. Form of Bond.* The Bonds shall be in substantially the following form; *provided, however,* that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, "See Reverse Side for Additional Provisions", shall be omitted and paragraph [6] and the paragraphs thereafter shall be inserted immediately after paragraph [1]:

The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy and the District and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

Non-Arbitrage and Tax-Exemption.* The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended, or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an

examination by the Internal Revenue Service (the "IRS") of the exemption from federal income taxation for interest paid on the Bonds, under present rules, the District may be treated as a "taxpayer" in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President and Secretary of the Board and the School Treasurer, to make such further covenants and certifications regarding the specific use of the proceeds of the Bonds as approved by the Board and as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

*Section 16. Continuing Disclosure Undertaking.* The President of the Board is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "*Continuing Disclosure Undertaking*"). When the Continuing Disclosure Undertaking is executed and delivered on behalf of the District as herein provided, the Continuing Disclosure Undertaking will be binding on the District and the officers, employees and agents of the District, and the officers, employees and agents of the District are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Resolution, the sole remedy for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any SWIDA Bond to seek mandamus or specific performance by court order to cause the District to comply with its obligations under the Continuing Disclosure Undertaking.

*Section 17. Municipal Bond Insurance.* In the event the payment of principal and interest on the Bonds or SWIDA Bonds is insured pursuant to a municipal bond insurance policy (the "*Municipal Bond Insurance Policy*") issued by a bond insurer (the "*Bond Insurer*"), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the District and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of such Bonds, subrogation of the rights of such Bondholders to the Bond Insurer upon payment of such Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the President of the Board

on advice of counsel, his or her approval to constitute full and complete acceptance by the District of such terms and provisions under authority of this Section.

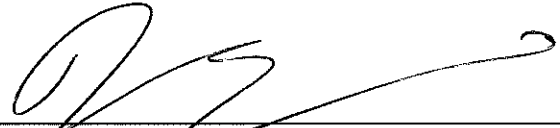

*Section 18. Record-Keeping Policy and Post-Issuance Compliance Matters.* On May 23, 2023, the Board adopted a record-keeping policy (the “*Policy*”) in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the District, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the District or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Board and the District hereby reaffirm the Policy.

*Section 19. Severability.* If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.
